

There's still time to **take part** in the census

Census Day was Sunday 21 March but it's not too late to take part - if you need help please get in touch:

- Call our Census Contact Centre on 0800 141 2021
- To request a paper copy, call 0800 876 6276
- Call our Language helpline on 0800 587 2021
- Visit a Census Support Centre - details available from www.census.gov.uk

If you own an empty property (holiday home etc), you must complete a questionnaire for that address as well.

You must complete the census by law or you could be fined up to £1,000 - act now to avoid a fine.
