# PLAN SHOWING PROPOSED DEVELOPMENT

Formed in 2008, GreenSquare Group is a major provider of housing, regeneration, care and support and commercial services across Wiltshire, Oxfordshire and Gloucestershire. Our mission is to increase the opportunities for people to thrive by building great homes and communities. Providing this to those on low incomes and those most at need is at the heart of our purpose – it is what we exist for. However, we know that providing great places to a range of customers allows us to provide more homes and opportunities in the future by making profits to reinvest.
